

One For The Bulls

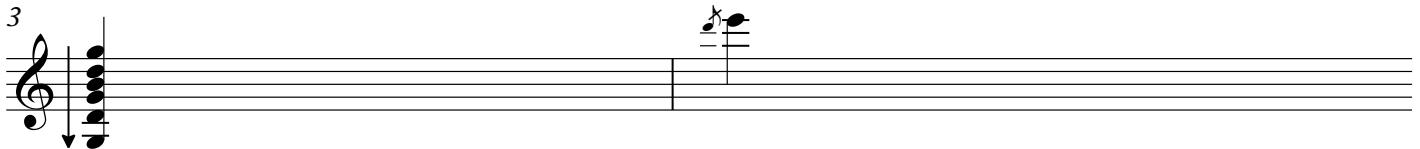

Performance Tips

Rhythm Guitar

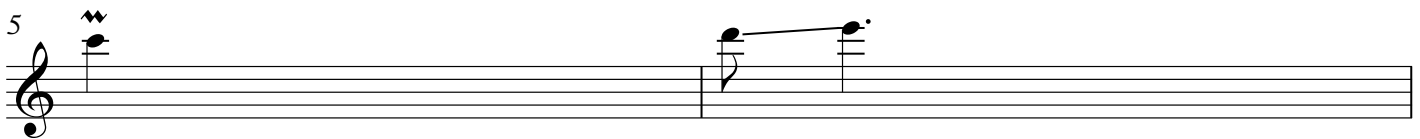

strike full chord with Ringfinger (a)
Middlefinger (m) and Index Finger (i)
from the lowest to the highest note

Rasgueado: Ringfinger strikes first, then
Middlefinger, then Index Finger (i)
from the lowest to the highest note.
The index finger is on the beat where as
the other 2 fingers strike slightly before

strike full chord with the Thumb
from the highest to the lowest note

the grace note is played on the beat and quickly slides
to the main note which is not played by the right hand

play main main note on the beat,
hammer on next higher diatonic
note (note in scale) and pull off
back to original note

a slide where both notes are played on time,
the second note is not played by the right hand
